What is a Pre-Conference?

The Area 51 Pre-Conferences are events where all AAs can learn about & give their input on agenda items that will be discussed at the General Service Conference.

They provide an opportunity to involve, inform, and inspire our members with a thorough understanding of the General Service Conference structure and process. Additionally, the Pre-Cons provide feedback from our membership on the challenges and opportunities facing AA as a whole. This interactive process comes alive with participation, discussion, and debate.

What are Conference agenda items and how do we discuss them?

Items that will be covered at the Preconference are pulled from the Conference agenda. They could have originated from any level of the triangle, and from any Area in our Service Structure. Any items that originated in Area 51 may have been presented at the Area Assembly. The Pre-conferences gives us the opportunity to discuss agenda items that may have come from other areas. Short presentations will introduce the topics however the majority of the time is allocated to sharing sessions providing feedback to the Delegate.

Why Do We Need a Conference?

The late Bernard B. Smith, nonalcoholic, then chairperson of the board of trustees, and one of the architects of the Conference structure, answered that question superbly in his opening talk at the 1954 meeting: "We may not need a General Service Conference to ensure our own recovery. We do need it to ensure the recovery of the alcoholic who still stumbles in the darkness one short block from this room. We need it to ensure the recovery of a child being born tonight, destined for alcoholism. We need it to provide, in keeping with our Twelfth Step, a permanent haven for all alcoholics who, in the ages ahead, can find in A.A. that rebirth that brought us back to life.

"We need it because we, more than all others, are conscious of the devastating effect of the human urge for power and prestige which we must ensure can never invade A.A. We need it to ensure A.A. against government, while insulating it against anarchy; we need it to protect A.A. against disintegration while preventing overintegration. We need it so that Alcoholics Anonymous, and Alcoholics Anonymous alone, is the ultimate repository of its Twelve Steps, its Twelve Traditions, and all of its services.

"We need it to ensure that changes within A.A. come only as a response to the needs and the wants of all A.A., and not of any few. We need it to ensure that the doors of the halls of A.A. never have locks on them, so that all people for all time who have an alcoholic problem may enter these halls unasked and feel welcome. We need it to ensure that Alcoholics Anonymous never asks of anyone who needs us what his or her race is, what his or her creed is, what his or her social position is." EVOLUTION OF A CONFERENCE ADVISORY ACTION

	An idea, suggestion, question, concern or subject comes from A.A. members, G.S.R.s, D.C.M.s, Area Committee members, Delegates, Trustees, or G.S.O./GV Staff, and may be shared or dis- cussed at the group, district and Area Assembly and sent to the	Conference Coordinator G.S.O.
2	The idea is reviewed by the G.S.O./GV Staff and forwarded to	Appropriate Trustees' Committee
B	which then may refer the matter to the	Appropriate Conference Committee
4	which meets during the General Service Confer- ence week and makes recommendations that are presented in the Committee Report to the	General Service Conference
5	if a Conference Committee recommendation is approved, after full floor discussion, it becomes a Conference Advisory Action , which becomes binding when approved by the	General Service Board

"Most questions suggested for the Conference agenda are assigned to one of the 13 standing committees, where items can be discussed in small groups before being considered by the full Conference body. Without committees, it is doubtful that any Conference would be able to function effectively."
