

Bowling Night

**Join A Vision for You & Myrover-Reese
for Fellowship and Fun**

A stylized illustration of a bowling ball hitting pins. The bowling ball is dark grey with three finger holes, positioned at the bottom center. It is surrounded by several white bowling pins with red stripes, some of which are flying through the air, suggesting a recent impact. The background is white with black and red lines radiating from the ball and pins, creating a sense of motion and impact.
